# HOW CAN WE HELP YOUR BUSINESS?

## OUR BUSINESS ADVICE SERVICE

### Starting a Business

We provide detailed advice on all aspects of starting a business, ensuring that you are compliant with all relevant legislation, and that your payroll and auto-enrollment pension scheme is set up correctly.

### Compliance with the law

We provide comprehensive, practical legal advice for a range of issues with a particular emphasis on financial consequences. We offer advice for Employment law, Commercial contracts, Landlord and tenant matters, Regulatory law, Dispute resolution, Advice to directors on their duties and Debt recovery along with acting for purchasers on the acquisition of distressed businesses.

### Selling your business

When the time comes to sell your business, we can help you prepare for the sale, so that you can achieve the maximum price.

### Financing a Business

Whether you're a start-up or an established business, you may need to raise funds. We can provide expert advice and guidance on applying for funding from a variety of different sources.

### Administrating your business

Setting up a new company can be complicated with incorporation documents needing amending or needing to alter the shareholder agreements. When this happens, legal input is often required, which in turn can be time consuming and costly.

Our full range of secretarial services includes Company incorporation, Multiple share class and structures, Amendments to Articles of Association, Capital reduction schemes, Company restorations, Deed of gift shares and Shareholder agreements.
